Subject: Secondary Containment Liners – Withdrawal of Certification Program and
Withdrawal of ULC/ORD-C58.9 - 1997

This Bulletin is a follow-up to the Underwriters Laboratories of Canada website announcement, dated January 19, 2009, advising of ULC's decision to exit the testing and certification of secondary containment liners.

Effective March 19, 2009 ULC will withdraw this certification category and all current Listings.

In addition, ULC/ORD-C58.9-1997 "Secondary Containment Liners for Underground and Aboveground Flammable and Combustible Liquid Tanks" will be withdrawn effective March 31, 2009. However, ULC Standards will continue to work with stakeholders to facilitate the development of standards for secondary containment liners.

Any questions concerning the above should be directed to Mr. Gunsimar Paintal, Regional Quality Manager & ULC Mark Program Owner, 416-757-3611 ext. 61217.
