CERTIFICATION BULLETIN NO. 2009-12

To: ULC Listees of Mineral Fibre Thermal Insulation (BOYNC)
Others Interested

Subject: Second Edition of the Standard for Mineral Fibre Thermal Insulation for Buildings, CAN/ULC-S702-09.

This Bulletin is a follow-up to ULC Standards Bulletin 2009-05, announcing the publication of the Second Edition of the Standard for Mineral Fibre Thermal Insulation for Buildings.

Underwriters Laboratories of Canada has adopted the provisions of this Second Edition of the Standard, and all new submittals will be investigated in accordance with these requirements.

Since the changes to the Standard may impact currently Listed products, an industry file review will be initiated for compliance to the new and revised requirements. Details of the file review and changes to the Standard are available on the ULC web site www.ulc.ca under Industry File Review.

The effective date, for currently Listed products to comply with the new and revised requirements in the Second Edition of ULC-S702-09, will be May 27, 2011.

Any questions concerning the above should be directed to Mr. Gunsimar Paintal, Regional Quality Manager & ULC Mark Program Owner, 416-757-3611 ext. 61217.
