STANDARDS BULLETIN 2008-17

Withdrawal of ULC-S630-00

STANDARD FOR SHOP FABRICATED STEEL ABOVEGROUND VERTICAL TANKS FOR FLAMMABLE AND COMBUSTIBLE LIQUIDS

ULC wishes to announce the withdrawal of ULC-S630-00, Standard for Shop Fabricated Steel Aboveground Vertical Tanks for Flammable and Combustible Liquids. The requirements contained within S630 have been incorporated with revisions, with the Fourth Edition CAN/ULC-S601-07, Standard for Shop Fabricated Steel Aboveground Tanks for Flammable and Combustible Liquids.

CAN/ULC-S601-07 is available in English and French and can be purchased from the ULC online store at www.ulc.ca.

For further information regarding the application of the withdrawal and the effective date of the new requirements, please refer to ULC Certification Bulletin No. 2008-17 issued by the Conformity Assessment Services group of ULC.

Any other question or concern should be directed to Tess Hofilena at (416) 757-5250 ext. 61212 or at email address: Theresa.Hofilena@ca.ul.com.

Yours, truly,
