## STANDARDS BULLETIN 2012-11

---

### **WITHDRAWAL OF TECHNICAL SUPPLEMENTS FOR REFURBISHED ABOVEGROUND AND UNDERGROUND TANKS IN ACCORDANCE WITH ULC- S601 (A)-2001, ULC-S603 (A)-2001, ULC-S615 (A)-2001 AND ULC-S630 (A)-2001**

---

To: Members of the Advisory Council of Underwriters Laboratories of Canada Inc.  
Canadian Council of the Ministers of the Environment  
Canadian Commission on Building and Fire Codes  
Members of the ULC Standards Committee S600A, S600B  
Others Interested

ULC Standards is withdrawing the Technical Supplements ULC-S601 (A)-2001, ULC-S603 (A)-2001, ULC-S615 (A)-2001 and ULC-S630 (A)-2001. These supplements were endorsed by their respective committees when prepared and published. They will be withdrawn effective August 23, 2012.

ULC Standards will continue to support the consensus standards development system. Anyone interested in proposing standards development in this area can obtain and submit a New Work Item Proposal to the Director, Standards Department, ULC Standards.

Yours truly,  
ULC STANDARDS

G. Rae Dulmage
