CERTIFICATION BULLETIN 2008- 02

To: Members of the Advisory Council of the Underwriters' Laboratories of Canada
Others Interested

SUBJECT: ULC/ORD-C627.1-2007 Unvented Ethyl Alcohol Fuel Burning Decorative Appliances

Dear Members:

The Subject ULC/ORD was sent to members of the Advisory Council for ballot and comment under ULC Certification Bulletin 2007-09 dated May 9, 2007.

The result of the Letter Ballot on the Other Recognized Document was successful. Comments have been received and addressed, as indicated on the attached Summary of Comments and Responses. Any additional comments received will be addressed at the next review of the document. Members will notice that the title of the ORD has been changed to clearly indicate that it applies only to appliances that use Ethyl Alcohol fuel.

It is our intention to publish this document by March 18, 2008, if no comments are received regarding the attached Responses to the Summary of Comments.

Thank you for your support in the development of this document.
