ULC-S660

CERTIFICATION BULLETIN NO. 2008- 20

To: ULC Listees of Nonmetallic Piping, Flammable Liquid, Underground (QLXTC)
Others Interested

Subject: First Edition of the Standard for Nonmetallic Underground Piping for
Flammable and Combustible Liquids, CAN/ULC-S660-08

This Bulletin is a follow-up to ULC Standards Bulletin 2008-08, announcing the publication of the First Edition of CAN/ULC-S660-08, Standard for Nonmetallic Underground Piping for Flammable and Combustible Liquids.

Underwriters Laboratories of Canada has adopted the provisions of this First Edition of the Standard, and all new submittals will be investigated in accordance with these requirements.

The First Edition is an adoption of the technical requirements of, and replaces ULC/ORD-C971-05, of the same title, including Errata 1 and Amendment 1.

Since this CAN/ULC-S660-08 is a republishing of existing requirements as Standard, a file review will not be required.

Any questions concerning the above should be directed to Mr. Normand Breton, Chief Engineer – Canada, 416-757-3611 ext. 61238.
