---

This Bulletin is a follow-up to ULC Certification Bulletin 2008-17, announcing the effective date of the Fourth Edition of CAN/ULC-S601-07, Standard for Shop Fabricated Steel Aboveground Tanks for Flammable and Combustible Liquids.

This fourth edition of the Standard consolidated the requirements of, and supersedes, ULC-S630-00, Shop Fabricated Steel Aboveground Vertical Tanks for Flammable and Combustible Liquids, ULC-S643-00, Shop Fabricated Steel Aboveground Utility Tanks for Flammable and Combustible Liquids, ULC/ORD-C142.18-95, Rectangular Steel Aboveground Tanks for Flammable and Combustible Liquids, and ULC/ORD-C142.22-95, Contained Vertical Steel Aboveground Tank Assemblies for Flammable and Combustible Liquids. It also integrates requirements for the integral contained tank from CAN/ULC-S653-06, Aboveground Steel Contained Tank Assemblies for Flammable and Combustible Liquids.

## CERTIFICATION BULLETIN NO. 2009-09

The effective date for the currently Listed products in the impacted categories to comply with the new and revised requirements in the Fourth Edition of CAN/ULC-S601-07, is July 1, 2010. Products not in compliance by this date will be withdrawn.

New submittals for products in the affected categories will be evaluated to the new and revised requirements in the fourth edition of CAN/ULC-S601-07.

The superseded requirements referenced above remain in effect for the currently Listed products until July 1, 2010. Effective July 1, 2010 those superseded requirements will be withdrawn.

An industry file review has been initiated for compliance to the new and revised requirements. Details of the file review and changes to the Standard are available on the ULC web site [www.ulc.ca](http://www.ulc.ca) under Industry File Review. Categories EEINC, EFVTC, EEGLC, EEFQC have been included in this file review since the associated primary tank is or may now be subject to the requirements of CAN/ULC-S601-07.

Any questions concerning the above should be directed to Mr. Gunsimar Paintal, Regional Quality Manager & ULC Mark Program Owner, 416-757-3611 ext. 61217.
