Subject: Effective Date Extension Announcement Bulletin– CAN/ULC S304

Reference Certification Bulletin 2007-25, 2009-32 & 2009-35

The effective date for the revised requirements in the Second Edition of the Standard for Signal Receiving and Centre and Premise Burglar Alarm Control Units, CAN/ULC-S304 has been extended to July 1, 2010.

Revisions to ULC Follow-Up Procedures, including deletion of models and specific constructions on the previous Effective Date, resulting from Applicant requests or prior investigation of products by ULC will remain in place unless an Applicant specifically requests that ULC reverse such revisions. Applicants interested in retaining such models or constructions until the new Effective Date should contact ULC's Customer Service Department immediately.

Important Dates

ULC must have all projects opened and samples received by March 1, 2010 in order to complete the projects by July 1, 2010.

Please contact the undersigned should you have any questions.
