Others Interested

Underwriters Laboratories of Canada Inc. (ULC) is pleased to announce the publication of the ORD ULC/ORD-C1389: 2018, 1st Edition – Guide for the Investigation of Plant Oil Extraction Equipment.

The ORD covers commercial or industrial plant oil extraction equipment for installation in accordance with CSA C22.1, Canadian Electrical Code Part 1 - Safety Standard for Electrical Installations (CE Code), CSA B149.1 Natural Gas and Propane Installation Code, and the National Fire Code of Canada, together with the manufacturer's installation instructions.

ULC has adopted the provisions of this Edition of the ORD and all new submittals will be investigated in accordance with these requirements.

This ORD can be ordered in English only in both pdf file format or hardcopy from the ULC Standards website at <https://canada.ul.com/ulcstandards/salesofulcstandardsmaterials/>.

This Certification Bulletin may be forwarded to others who may have an interest in this document.

Any questions concerning the above should be directed to Paul Kelly at +1(847)664-2326 or by email at: Paul.T.Kelly@ul.com.

Sincerely,

Underwriters Laboratories of Canada Inc.
