## **STANDARDS BULLETIN 2019-33**

NEW EDITION

---

### **Fourth Edition of CAN/ULC-S531:2019**

#### **STANDARD FOR SMOKE ALARMS**

---

ULC Standards is pleased to announce the publication of the Fourth Edition of CAN/ULC-S531, Standard for Smoke Alarms. This Standard has been approved by the ULC Standards Committee on Fire Alarm and Life Safety Equipment and Systems and has been published under the date of May 2019.

The standard covers electrically-operated single and multiple station smoke alarms intended for open area protection in indoor locations and portable smoke alarms used as "travel" alarms in accordance with:

Installation of Smoke Alarms, CAN/ULC-S553;  
National Building Code of Canada; and  
National Fire Code of Canada.

These requirements, where applicable, also cover all remote accessories that are to be connected.

For any additional information, please contact Paul Lloret at 510-319-4269 at or by email at [paul.e.lloret@ul.com](mailto:paul.e.lloret@ul.com).

This Standard can be ordered for \$300.00 CAD (Hardcopy) or \$250.00 CAD (PDF) from the ULC Standards website at <http://canada.ul.com/ulcstandards/>. Click on *Sales of ULC Standards Materials* for more information.

Yours truly,

ULC Standards
