STANDARDS BULLETIN 2019-25

NEW EDITION TO STANDARD

Third Edition of CAN/ULC-S716.2

Standard for Exterior Insulation and Finish Systems (EIFS) - Installation of EIFS Components and Water Resistive Barrier

ULC Standards is pleased to announce the publication of the Third Edition of CAN/ULC-S716.2:2019, Standard for Exterior Insulation and Finish Systems (EIFS) - Installation of EIFS Components and Water Resistive Barrier. This Standard has been approved by the ULC Standards Committee on Thermal Performance and Energy Use in the Built Environment has been published under the date of March 2019.

This Standard contains requirements for the installation of Exterior Insulation and Finish Systems (EIFS) that meet the material and system requirements of CAN/ULC-S716.1 and the design requirements of CAN/ULC-S716.3.

This standard applies to the installation of the EIFS components. It does not apply to the installation of the substrate.

This standard applies to the installation of EIFS for the cladding of walls and apart from decorative projections, does not apply to the installation of EIFS on horizontal surfaces exposed to direct precipitation.

This standard does not address the qualifications and skills that an EIFS installer should possess.

This standard does not address the structural design or integrity of the substrate to which the EIFS is to be attached.

This document does not purport to address all the health and safety aspects associated with its use. Anyone using this Standard has the responsibility to consult the appropriate authorities and to establish health and safety practices, in conjunction with any existing applicable regulatory requirements, prior to its use.

The Third Edition of this standard includes changes related to climate change resilience in support of the National Research Council of Canada program to address the impact of Climate Change Adaptation in Canadian Codes and Standards.

For any additional information, please contact Kevin HF Wu at (613) 368-4437 or by email at Kevin.HF.Wu@ulc.com.

This Standard can be ordered for \$50.00 CAD (Hardcopy) or \$0.00 CAD (PDF) from the ULC Standards website at <http://canada.ulc.com/ulcstandards/>. Click on *Sales of ULC Standards Materials* for more information.
