CERTIFICATION BULLETIN CCH-2022-259

To: Subscribers/Listees to ULC's Listing Service for [Exits and Exit Appliances] Egress Door Securing and Releasing Devices (FUPLC)

Subject: Harmonization of [Exits and Exit Appliances] Egress Door Securing and Releasing Devices (FUPLC) with [Exit Signs and Exit Appliances Certified for Canada] Egress Door Securing and Releasing Devices Certified for Canada (FUPL7)

UL as an enterprise is striving to offer to its customers combined Canadian Certification Directories. Continuing with the effort, Underwriters Laboratories of Canada Inc. (ULC) and UL LLC are harmonizing their Canadian Certification categories in order to come up with a single Canadian Listing Directory for certified (Listed) products.

Consequently, UL is harmonizing the certification category [Exits and Exit Appliances] Egress Door Securing and Releasing Devices (FUPLC) with the certification category [Exit Signs and Exit Appliances Certified for Canada] Egress Door Securing and Releasing Devices Certified for Canada (FUPL7). As the category FUPLC is being harmonized, the Product Listings and/or designs that are currently certified under FUPLC will now be under FUPL7.

The harmonized categories will represent manufacturers who received authorization from ULC and UL LLC to use their respective marks for Canada.

There are certain administrative activities that are taking place; one such activity is harmonizing the Category Control Numbers (CCN's, an internal terminology used for tracking) resulting in a combined Canadian Listing Directory. Any necessary revisions to your File will be notified and will be at no charge to you. We anticipate completing this transition by Jan 31, 2022.

Your Field Representative can assist you with any questions regarding the change in category. If you have additional questions please contact John Divelbiss via phone at 1(847)664-2795, or email John.Divelbill@ul.com.

Please share this Bulletin with other interested parties within your organization.

Sincerely,

**Issued under the joint responsibility of Underwriters Laboratories of Canada Inc. & UL LLC.
