UL Solutions periodically reviews its programs and services. As part of recent review of existing customer agreements and applicable service terms, we discovered that some customers may not have been provided with the most current applicable service terms. The link below is being provided for your convenience and will allow you to review the current agreements and service terms for your UL contracted services. These service terms supersede any service terms previously provided. There is no change to the Global Services Agreement (“GSA”).

The service terms can be accessed via the link: <https://www.ul.com/sites/default/files/2024-05/Security-ICS-Service-Terms-b.pdf>
