Others Interested

The requirements for ULC/ORD-C260-75, Guide for the Investigation of Dry Pipe, Deluge and Pre-Action Valves for Fire Protection Service have now been included in ANSI/CAN/UL-260:2023 Dry Pipe and Dry Deluge Valves for Fire-protection Services.

Since the requirements are contained in the above referenced Standard, effective immediately, ULC/ORD-C260 stands superseded.

ULC will continue to provide Testing and Certification services to the new Standard ANSI/CAN/UL-260:2023.

Any questions concerning the above should be directed to Mr. Gunsimar Paintal, at 416-288-2217 or via email at Gunsimar.Paintal@ul.com.

Sincerely,

Underwriters Laboratories of Canada Inc.
